Family members with allergies,
asthma or sensitive noses

KEY BENEFITS OF AIR GUARD

Reduce Airborne
Bacteria & Viruses

Neutralises
Unpleasant Odours

0%

Alcohol Free
Non Toxic and
Chemical free

Safe For Babies
Elderly, Pets &
Sensitive individuals

Recommended Dilution

Dilute before use according to recommended ratios: **15 Times To 50 Times** depending on application

For Humidifier

1 Part Air Guard + 50 Parts Water

Use This Simple Guide

Water Tank Capacity (Liter)	=	ml of Air Guard to add
50		

Example: 5L Humidifier, 5000ml ÷ 50 = 100 ml Air Guard

For Sprayer

1 Part Air Guard + 30 Parts Water

Example: 1.5L Sprayer, 1500ml ÷ 30 = 50 ml Air Guard

Adjust dilution depending on usage environment

CAUTIONS: For external use only, not for drinking.
