

ULTRON SURFACE CARE

IONISED HOCl Concentrated Solution

LARUTAN PENJAGAAN PERMUKAAN

Ombac Plus Ultron Surface Care is a concentrated HOCl solution, produced using IGTECH® core technology. It is formulated for surface hygiene, effectively killing bacteria and viruses on contact while being gentle and safe for daily use.

WHY YOU NEED ULTRON

Surface Areas Often Face These Problems

Surfaces easily collect microorganisms

Harsh chemical cleaners irritate skin and damage surfaces

Strong smells from bleach or alcohol

Stains and odour-causing microbes

Need a safe, gentle disinfectant for daily use

KEY BENEFITS OF ULTRON

Broad-spectrum
Antimicrobial Action

Safe On
All Surfaces

0%

Alcohol Free
Non Toxic and
Chemical free

Gentle on skin
and Non-irritating

Recommended Dilution

Dilute before use according to recommended ratios: **10 Times To 80 Times** depending on application.

Easy spray, mop or wipe & no rinse needed
Suitable for floor, basin, carpet, object surface, toilet bowl and etc.

For General Cleaning

1 Part Ultron + 50 Parts Water

Use This Simple Guide

$$\frac{\text{Water Tank Capacity (Liter)}}{50} = \text{ml of Ultron to add}$$

Example: 1L Bucket, 1000ml ÷ 50 = 20 ml Ultron

High Contact Area

1 Part Ultron + 20 Parts Water

Example: 1L Bucket, 1000ml ÷ 20 = 50 ml Ultron

Adjust dilution depending on level contamination

CAUTIONS: For external use only, not for drinking.

Advanced Surface Protection

ULTRON SURFACE CARE

POWERED BY
